In order for us to continue to develop the tool and potentially publish some research on the sexual knowledge of young people who have engaged in concerning and/or harmful sexual behaviours we would encourage you to please:

1. Provide any feedback on your experience of using the tool to redwards@swaay.co.uk
2. Share anonymised data with us, by completing the excel spreadsheet you will be given a link to.

In return we will keep you informed of any updates we make to the measure, and any research that we undertake associated with it.

I understand the above request and will seek the consent of the legal guardian of the young person (s) with whom I am using the ASKA to share anonymised data with SWAAY for the purposes described above.
